

DeMers Prayer and Praise

Praise God for:

-the completion of beet harvest in Montana and our safe return home to Alaska. We clocked 2,615 miles, plus 2.3 days on the Alaska ferry, Malaspina.

-a place to live for co-laborers, Tim and Ginny. Their desire is to purchase the place, in due time. We are excited to visit them there, upon our return next season.

-Luke portions we have received from U. She has been texting them to us. What a great way to continue the translation process over the miles!

-a recent contact our daughter, Aimee, had with a young man. She sent him a New Testament in his native Alaskan language. He later texted her: "I am at the Bible Institute, and I have just received the NT!!! I am so pumped up right now! I cannot explain my excitement to you, and I am so thankful that we have crossed paths. Thank you so much for your good spirit and kind nature, everyone here knows of you and your kindness. God bless and keep you, Aimee."

In His love,

Meggie and Pierre

Please pray:

...for U's son, T, pictured with some of his family. A second MRI showed his cancer has spread even into his brain. This is a very difficult time for the family, understandably.

...for visits with our Alaskan native friends, beginning this week with Manuel and Mary Rose.

...we invite you to prayerfully consider partnering with us financially. Over time, our financial partnership has declined, but the need of God's Word among the indigenous group continues. The Lord has given us health and strength along with fitting us for this need. We are committed to serving.
