Ever been gold mining?  
The Word of God is like mining for gold...  
Digging truth out for yourself takes you deeper than  
hearing about another's mining expedition.

*Here is a brief description of what we will see:*

What is true faith? How should you live the Christian life? Each verse of this practical study is alive with instructions, admonition, and encouragement. Learn God's principles for dealing with trials, temptations, the tongue, and the pull of the world.

for Faith Bible Attendees!!!
