

DeMers Prayer and Praise

Greetings!

Praise God for:

-Pierre's trip to Montana the end of September to help with beet harvest on the farm of friends who store our trailer for us. His "old drive," the powerful Western Star, has been handed over to another driver and Pierre is blessed with the newest truck in the farm's fleet. He's adjusted to the gearing and REALLY appreciates the comfy, quiet

ride provided by this truck. If you look closely, you'll see his truck is being loaded with sugar beets. We are grateful that Pierre has spare time to do the maintenance needed on our trailer for another winter's storage.

-things going well here at home. Our grandson Pete comes up regularly to keep the house supplied in wood that I can lift one armed to load the stove. He takes care of any other lifting chores that I am unable to do presently. I have more than enough to keep me busy, including the PT I do daily. I visit the therapist once a week.

Please pray for:

-our back translation team, that they are able to make progress while we are apart. We do our best to encourage them. We often have to remind ourselves that God knows all about it, that this present situation is not a surprise to Him and that He is in control. He gives us peace. There is much to process before these materials can be checked by back translators, but we have a lot of materials ready for back translation, which has to be checked by our consultant before any Scripture can be given out to the people. Remember U, as she faithfully translates the Gospel of John into her language.

-village friends who face so many losses among their people. Yesterday W shared with me that so many have died lately, mostly from cancer. She has a precious ministry visiting those facing death, sharing the love of Jesus with them.

Thank you so much for your faithfulness in prayer. God is able. May He bless and keep you during this difficult and uncertain time.

In His Love, *Meggie and Pierre*

A season of waiting - for us this has meant a full year at home, and right now, for Pierre and the harvest crew, it means waiting on not to hot and not too cold temperatures. Village friends find themselves isolated at home, waiting to resume their already restricted lives. It helps me to remember that we are citizens of heaven; Jesus is coming back for us one of these days. Until then, we wait for Him, and we try to do His will in the time allotted to us. I love chats with village elders who share their faith with me, "I pray to Him and He helps me." Yes, He helps me wait, and He IS coming back for us. Be encouraged!

Philippians 3:20

But we are citizens of heaven, where the Lord Jesus Christ lives. And we are eagerly waiting for Him to return as our Savior.
